Insurance agreement

I certify that the above insurance information is correct and in force. I am aware that it is my responsibility to read and understand my own dental insurance policy, including benefits, limitations and exclusions. I understand that filing of insurance claims is my responsibility and may be provided as a service to me and that any agreement for dental coverage is between my insurance company and myself. I understand that an estimated portion is due at time of service and is estimated according to expected coverage, which may not be disclosed nor guaranteed, by my insurance company. I understand my portion may be more if my insurance company does not pay the anticipated amount. I also understand that services are rendered independent of insurance reimbursement.

This signature on file is my authorization for the release of information necessary to process my claim. I hereby authorize payment directly to Robert C. Supple, D.M.D. of the benefits otherwise payable to me. I agree to be responsible for any debt incurred by services rendered by Dr. Supple/Dr. Baiamonte if insurance does not pay. I agree to be responsible for any collections and/or attorney fees that might be due should I fail to pay any amount due to Dr. Supple/Dr. Baiamonte/Dr. Hann in full.

_____ _____

Signature of responsible party Date

Consent for treatment

I, the undersigned, hereby authorize the doctor to take radiographs, study models, photographs or any other diagnostic aids he/she deems appropriate to make a thorough diagnosis of my dental needs. I also authorize the doctor to perform any and all forms of treatment, medication and therapy that may be indicated. I authorize and consent that the doctor employ any such assistance as he deems appropriate.

I further authorize the release of any information, including the diagnosis, radiographs and records of any treatments or examinations rendered to my insurance company, consulting professionals or others that may request my records. I understand that I am personally responsible for payment of all fees for dental services provided in this office for me or my dependents, regardless of insurance coverage. Breach of this responsibility carries the penalty of compensating the practice for any related attorney's and collection fees. I understand that payment is due when services are rendered. Any other arrangements for payment must be made before treatment begins.

Signature of patient or authorized responsible party	Relationship	Date

We take pride in the fact that we are a caring and successful dental practice. Many people within the community have come to trust our care for all their dental needs. As a result, we have experienced a great deal of growth, which some of you have felt due to our schedule being booked three months or more in advance. Unfortunately, we are still experiencing lost time due to missed appointments. When time is lost due to appointment cancellations or no-shows, other patients in need of treatment cannot be seen and their treatment is delayed. For these reasons, we have had a 48-hour cancellation policy. However, we will be charging a $75 cancellation fee. Our policy is as follows:

Appointment cancellation policy

- We will make every effort to remind patients by telephone, text message, or email prior to the appointment, but please do not depend on this courtesy.
- Please remember that your appointment times are your responsibility.
- We strongly encourage all patients to keep their appointments. However, we also want your appointments to work for your schedule. If you need to change your appointment, we require a 48-hour notice with at least 24 hours notice to avoid a $75 cancellation fee.
- If commitments for appointments are frequently broken within the 48-hour period, a non-refundable reservation fee equal to the appointment fee may be required.

Our ultimate goal is to better serve all of our patients. Missed appointments are missed opportunities to better serve our patient base.

Cordially,

Robert C. Supple, D.M.D.
Tom D. Baiamonte, D.M.D., M.S.
Bethany Hann, D.D.S.

I have read and initialed the appointment cancellation policy (_____)

Health History Update

Please fill out the following questions to the best of your knowledge. Although dentists and hygienists primarily treat the mouth area, medical problems or medication could have a significant impact on your dental treatment. Your answers are for our records only and are confidential.
